Athlete funding—reminder

Happy Holidays

From everyone at the BC Archery Association, we wish you a happy holiday filled with good cheer, good friends, holiday spirit, and lots of love.

Memberships expire December 31st—renew now!

Your 2016 membership will expire on December 31st. Don't miss out on shooting a registered tournament or other benefits, renew now! Some clubs require you to be a valid BCAA member in order to participate. Renew now and don't get turned away at your next club night.

New forms are on the website. Take advantage of the PayPal payment option and submit your application using the online Google-form! If you are mailing in your membership, please ensure you are using the current form and paying the new rate. If old forms/rates are received, they will be sent back for correction and will delay your renewals.

The 2017 BC Archery fee structure is as follows:

- Youth, up to 17 years old: \$60
- Adults, 18 and older: \$70
- Family, max 2 adults + unlimited youth in same household: \$150
- Club: \$150

If you are a club that is renewing your club membership, please be advised that those persons listed as your coaches and Safety Officers must also have current memberships. Consider renewing those at the same time to avoid delays in processing the Club renewal (and delaying your Certificate of Insurance).

High Performance Funding applications

As our year comes to a close in just a few months, this is a reminder that applications for athlete funding for the 2016 year are due by January 31, 2017.

To apply for high performance funding you must submit your annual training plan and be working with a coach with a minimum certification of Instruction of Intermediate Archers (old Level 2).

In the past few years BCAA been able to additionally recognize some of our local ranked athletes, but these funds are not always available. If you are looking for funding, submit your application.

Information about funding applications can be found under [Athlete Stuff on the BCAA website](#).
