Your BCAA Club membership includes membership with Archery Canada

BC Archery Association membership provides programs which support the Long Term Athlete Development (LTAD) model and programs to support your club, such as coaching and judging clinics, athlete skills clinics and Bowhunter education (IBEP). Your membership in BCAA allows your club to participate in the Junior Olympian Program (JOP) to develop our youth. Your membership makes your club eligible to host Provincial and National Championship tournaments and provides your club's administration with insurance as per AC Policy.
