Did you know....

...the [Archery Canada Regional Indoor Championships](#) is an annual event, held the first weekend in March. It provides an opportunity for archers to compete with others across the country, without needing to leave your city or province. The top 3 competitors in each category are awarded National medals. Take the opportunity to compete against National Champions—check with your local club to see if they are hosting this event this coming weekend. Good luck!

2016 BC Winter Games

This past weekend, 46 athletes from 8 Zones participated at the 2016 Penticton BC Winter Games. Hopefully you had the chance to see it live, or on TV, or just kept up with the scores on Facebook. Check out the results on ianseo.

Congratulations go out to all the athletes, whether or not you brought home a medal, we are proud of your achievements and hope you made memories and friends to last a lifetime.

The BC Winter Games inspires a lot of athletes to continue on a pathway of high performance.

A big thank you to Ron and Mary Ostermeier who have been organizing the archery event and to all the volunteers that make events like this happen!

BC Indoor Championships, March 26 & 27

Only 3 weeks left to register! There's lots of space available for the BC Indoor Championships in Armstrong. [Information can be found on their website](#), along with online registration and payment.

Stay in Armstrong or nearby Vernon. Bring the family for a nice Easter getaway. And don't forget to buy tickets to the banquet!

NOTE: changes for this year: The BCAA Indoor Championship has adopted the Archery Canada / World Archery scoring rules for an 18m round. **ALL compound shooters**, regardless of age or category, will score based on the inner-10 ring. (see rule AC 7.2.2.3.) No X's will be written on any scorecards. Medals will be awarded accordingly. (no changes for non-compound categories)

2016 Canadian Indoor 3D Championships

Congratulations go out to Semiahmoo Fish & Game. They did such a great job with the Indoor 3D Nationals last year, that they're hosting it again this year!!

It's only a month away—register soon!

2016 Olympic Pathway

Two of our BC athletes, Hugh MacDonald and Brian Maxwell, attended the Chula Vista Olympic competition camp in February. They were joined by Olympic athletes and coaches from 6 countries.

The next leg on the pathway to the 2016 Rio Olympics is a camp in Arizona on the first weekend in April. From this camp a men's recurve team will be selected to compete for a men's team spot at the 2016 Olympics.

We wish them both the best of luck!

JOP News

Carded Athletes & Coaches

Please remember to sign up if you were identified as a carded athlete or coach. There are lots of opportunities to participate in on-line speaker series to develop yourself in the high performance pathway. Not all geographic areas have the same opportunities close by but the on-line series can be accessed by everyone who has been carded. Don't pass up on these opportunities.

Athlete Funding Applications—applications have been processed

The cut off for funding applications was January 31 2016 for the calendar year of 2015 events. The applications have been assessed and the successful applicants have been notified. Cheques will be mailed out in early March.

The application process and criteria for the 2016 year will be published before the end of March. Watch the [website](#) for updates.

America's Masters Games

We have venue information!

The Archery Competition for the AMG2016 will take place at UBC on the Arthur Lord & Frank Buck fields, right beside the Rugby Centre. Eight sports will be competing on the UBC grounds so there will be lots of energy and activity (including a Beer Garden close by!!)

Archery will take place from August 27th to 31st. Competition will be based on gender (M/F), age (50-59, 60-69, 70+), and equipment (Compound, Recurve and Barebow).

The event consists of 2 days of qualifying rounds (a 720-round each day) and a day of single-elimination rounds.

Recurves shoot 60m on a 122cm target, Barebows shoot 50m on a 122cm target, and Compounds shoot 50m on a 6-ring (cut-down) 80cm target (only blue, red & yellow rings showing).

More information can be found on the [website](#) where you can also sign up for the AMG newsletter to keep up to date on new information. [Registration is OPEN NOW.](#)
